WACA has purchased a limited block of trade and display tables located in the newly reconfigured Front Room (this is the room the public will enter first before they get to the back room) and is offering them exclusively to WACA Members at a substantial discounted price. This special price is available only to WACA members who agree to be located in this newly designated WACA area and is not offered to Members who choose to remain in their previous/traditional room location.

100% of your table cost plus one \$18 Clark County Fee (regardless of the number of tables you purchase, only one \$18 fee is required) is required to reserve your space. You may pay the full amount by check or credit card (see form below).

The show producer reserves the right to refuse table space to anyone when, in the producer's opinion, it would serve in the best interest of the show, other exhibitors or the collecting fraternity. Show rules and regulations on the reverse side are subject to change. Agreement: The space rental applicant acknowledges that no agreement to rent space exists until all requirements have been met and such agreement is confirmed by WACA.

EXHIBITOR SHOW RULES

1. No loaded firearms or loaded magazines or clips will be permitted at any time at the Show.
2. All cartridge firearms, except those attached to a display in a non-removable part thereof, will be tied with a plastic tie to be rendered inoperable.
3. No loose ammunition will be permitted at the Show. Collector ammunition, either individual pieces or in boxes shall be in sealed containers or under cover (i.e., a lidded showcase). Unserviceable or collector type cartridge may be offered for sale subject to the approval of Show safety personnel.
4. No black powder will be permitted for sale or display at the Show. No books, posters, clothing or sound or film media may be offered at the Show, which items describe the fabrication of any device which, if possessed, would constitute a felony under the laws of the United States or under the laws of the state or municipality where the Show is being held.
5. No explosive ordinance, destructive devices, part designed specifically to convert a semi-automatic firearm to full automatic fire, or anti-personnel sprays shall be permitted for display or sale at the Show.
6. Our Shows are advertised to the public as family events. No pornographic materials or items with obscene language or graphics, racial, ethnic, sexist or any hate-mongering material including T-shirts, magazines, videos, bumper tickers or other items which could be considered to be offensive to families or which are objectionable to Show management will be permitted. Non arms related items or items glorifying Nazi, Fascist, Communist or World War II Japanese political philosophy are prohibited, except as a part of a display or an evolutionary group of items for sale and subject to the Show Producer's approval.
7. All federal and local firearms laws must be obeyed. To the extent reasonable, the Show Producer will have available, for review by the exhibitor, such information as is provided to the producer by federal, state and local authorities. It is the exhibitor's responsibility to be familiar with all local, state and federal laws. FFL holders must display their license.
8. The Show Producer reserves the right to remove any items deemed undesirable at this quality show. Coins, watches, jewelry and non-related items are permitted subject to the producer's approval.
9. Each exhibitor is obligated to honestly and properly present merchandise at the Show. Reproductions, altered items or originals which have been modified must be so identified. At the Show Producer's sole option, any such merchandise, not properly labeled, will be removed. Failure to promptly do so is grounds for the Show Producer to close the exhibitor booth or table with the Producer having any further responsibility to the exhibitor.
10. The owner of each firearm is personally responsible for his or her actions or the action of any member of the public or any other exhibitor. It is the exhibitor's responsibility to protect the Show and its participants from the unsafe or illegal acts of anyone handling the firearm of the exhibitor. Accordingly, the exhibitor agrees that neither the Show Producer, the Show Director, its sponsors, agents, employees or their representatives or the convention facility or the convention decorator or the security representatives of the Show are responsible for any loss or damage from any cause suffered by an exhibitor or his employees or a member of the public or any other exhibitor or to property in his possession at the Show. Further, the exhibitor expressly releases the Show Producer, the Show Director, the Show facility, the Show convention decorator and the Show's security company and its agents or individuals or employee from any and all claims for such loss, damage or injury.
11. Badge Rules: Two exhibitor badges for 1 table. 1 additional badge for each additional table. Three badges for 1 booth, 2 additional for each additional booth. Additional exhibitor badges are \$35.00 each. Limit 6 additional badges per exhibitor.

14. Management reserves the right of all refusal.

We have read, understand and agree to the terms and conditions of this Show Rule/Agreement.
